Please enter the number only, no dollar sign.

Enter answer here

5. In **J7** calculate **Net Pay** by subtracting **Tax** from **Gross Pay**. Copy the formula down to **J12**. What is Sophie Yang's Net Pay for the week? 1 point

Please enter the number only, no dollar sign.

Enter answer here

6. In cells **F14:J14** calculate totals for each of the columns. What was the total **Commission**? 1 point

Please enter the number only, no dollar sign.

Enter answer here

7. In cells **F16:J16** calculate an average for each of the columns. What was the **Average Commission**? 1 point

Please enter the number only, no dollar sign.

Enter answer here

8. In cells **F17:J17** calculate the maximum for each of the columns. What was the **Maximum Tax**? 1 point

Please enter the number only, no dollar sign.

Enter answer here

9. In cells **F18:J18** calculate the minimum for each of the columns. What was the **Minimum Tax**? 1 point

Please enter the number only, no dollar sign.

Enter answer here

10. Click into the **Branch Summary** worksheet. First, we want to calculate the **Total Commission** for Edenvale (see the **Branch** column on both sheets). In **B6** type in **=SUM(** then click into **Pay Details** and select **G7:G9**, then press Enter. Repeat the process, selecting the appropriate cells, to get the **Total Commission** for Sandown. 1 point

Use the fill handle to get **Total Gross Pay** for Edenvale and Sandown. What was the **Total Gross Pay** for Edenvale?

Please enter the number only, no dollar sign.
