Please enter the number only, no dollar sign.

114.62

Nice work

Super - well done.

10. Click into the **Branch Summary** worksheet. First, we want to calculate the **Total Commission** for Edenvale (see the **Branch** column on both sheets). In **B6** type in **=SUM(** then click into **Pay Details** and select **G7:G9**, then press Enter. Repeat the process, selecting the appropriate cells, to get the **Total Commission** for Sandown. — 1 / 1 point

Use the fill handle to get **Total Gross Pay** for Edenvale and Sandown. What was the **Total Gross Pay** for Edenvale?

Please enter the number only, no dollar sign.

2020.51

Nice work

Wonderful. You have combined a whole range of skills you have learned already to solve this one. Excellent work.
